I'm Making Changes

I look around these streets and I don't like what I see
I know this never was the way the world was 'sposed to be
The answer seems so simple as I search inside my heart
Looking at your own life is the only place to start

I'm makin' changes for all the world to see
I'm makin' changes I'll be the best that I can be
I'm makin' changes all the ones that I need
I'm makin' changes and I'm starting with me

I asked myself when last I lent a friend a hand
And realized I've never once helped feed a hungry man
It's easier to say you care just cry a tear or two
The hardest thing's to start to make those changes within you

I'm makin' changes for all the world to see
I'm makin' changes I'll be the best that I can be
I'm makin' changes all the ones that I need
Im makin' changes and I'm starting with me

We can turn the hatred into sweet harmony
Silence every violence make love our melody

I'm makin' changes for all the world to see
I'm makin' changes I'll be the best that I can be
I'm makin' changes all the ones that I need
I'm makin' changes and I'm starting with me
We're makin' changes for all the world to see
We're makin' changes we'll be the best that we can be
We're makin' changes all the ones that we need
We're makin' changes changin' you and me

Rick Beneteau is the co-creator of the transformational program, [Modern Day Mastery](#), which many are calling the “next evolution of personal development.”

He wants to know if you’re ready to [walk through THE DOORWAY](#)
