# Forgiveness

For all the times I lied  
For all the tears you cried  
I am asking  
For your forgiveness

For every time I ran  
Refused to understand  
I am asking  
For your forgiveness

For every midnight, a sunrise  
For every darkness, a light  
For every storm, a clear horizon  
For every wrong, I will right

For every needless fight  
For every sleepless night  
I am asking  
For your forgiveness

For what we should have seen  
For where we could have been  
I am asking  
For your forgiveness

For every midnight, a sunrise  
For every darkness, a light  
For every storm, a clear horizon  
For every wrong, I will right

For all we will become  
When all is said and done  
I am asking  
For your forgiveness
