# Whatever I Can

I'll do whatever I can

Wherever I am

Whenever you want me to

Yeah you, you have a friend

In me 'til the end

Whatever I can I'll do for you

When dark clouds surround you

And you feel scared and so confused

Seems no one's left you can depend on

But count on me, believe it's true

I know you don't always tell me

When things aren't goin' right

Just know that I will be beside you

Anytime, day or night

I'll do whatever I can

Wherever I am

Whenever you want me to

Yeah you, you have a friend

In me 'til the end

Whatever I can I'll do for you

I know there's some kinds of love  
That were always meant to be  
It seems so right we found each other  
We're not just friends, we're family  
You can be sure there'll be a place inside  
My heart I'll keep for you  
And anytime you need a lovin' hand  
To lift you up I will pull you through

I'll do whatever I can  
Wherever I am  
Whenever you want me to  
Yeah you, you have a friend  
In me 'til the end  
Whatever I can I'll do for you

Whenever, wherever, however, whatever I can

I'll do whatever I can  
Wherever I am  
Whenever you want me to  
Yeah you, you have a friend  
In me 'til the end  
Whatever I can I'll do for you
